Shadow Opportunities for Sophomore Admits

Through the BCC's Sophomore Shadow Program, admitted sophomores to the Wisconsin School of Business and School of Human Ecology have an opportunity to get an up-close look at a company or industry by "shadowing" professionals (often UW alumni) through a normal day on the job. Explore different career possibilities and see firsthand how classroom skills relate to the workplace. Each job shadow opportunity will be held for one day during winter break (January 4 – 15, 2010).

Job shadow opportunities will be viewable on BuckyNet beginning September 19 and the resume submission process will begin October 17. Students may apply for up to 15 job shadow opportunities. The more applications submitted the higher the likelihood of being matched with an employer.

PLEASE NOTE: All participating students must agree to honor their job shadow appointment and terms, location, etc. STUDENTS MAY NOT WITHDRAW FROM THEIR JOB SHADOW AFTER A MATCH HAS OCCURRED. Students are responsible for all travel and lodging. For more information please check out the BCC website at <http://www.bus.wisc.edu/career/student/exploring/jobshadow/default.asp>.
